A MITRE Corporation Initiative

## YOUNG WOMEN IN ENGINEERING DAY

### Parents and Educators:

Do you know girls in grades 9 to 12? Help them broaden their horizons as they plan their futures. Tell them about MITRE's Young Women in Engineering Day. It's a one-day workshop where they will experience the creativity and innovation of engineering and technology through hands-on activities and presentations. They will meet women engineers, see live demonstrations of real research, and hear first-hand about these exciting careers.

### Event Details:

**Location:** MITRE Corporation, S Building, 202 Burlington Road, Bedford, MA

**Date:** Friday, November 13, 2009

**Time:** 8:30AM - 2:00PM

**More information can be found online at:** <http://www.mitre.org/public/ywie/>

**The event is free, but pre-registration is required due to limited space.**

**To register, go to:** <http://tiny.cc/YWIE>

### About MITRE:

The MITRE Corporation is a not-for-profit organization chartered to work in the public interest. As a national resource, we apply our expertise in systems engineering, information technology, operational concepts, and enterprise modernization to address our sponsors' critical needs. To learn more about MITRE, visit our web site at <http://www.mitre.org>.
